

Dear Editor and Reviewers:

We sincerely thank you for the insightful feedback. We have carefully revised the manuscript and provide our point-by-point responses below.

Response to Reviewer #1

1. *[Paste the first comment from Reviewer #1 here.]*

Reply: Thank you for your valuable comment. We have revised the manuscript accordingly.

Please describe:

1. What concern the reviewer raised.
2. What changes you made in the revised manuscript.
3. Where the changes can be found, for example: **Section II, Page X–Y, Figure X, Page Y, or Table X, Page Y.**

2. *[Paste the second comment from Reviewer #1 here.]*

Reply: Thank you for your valuable comment. Please replace this placeholder with your actual response.

Response to Reviewer #2

1. *[Paste the first comment from Reviewer #2 here.]*

Reply: Thank you for your valuable comment. Please replace this placeholder with your actual response.

2. *[Paste the second comment from Reviewer #2 here.]*

Reply: Thank you for your valuable comment. Please replace this placeholder with your actual response.

Response to Reviewer #3

1. *[Paste the first comment from Reviewer #3 here.]*

Reply: Thank you for your valuable comment. Please replace this placeholder with your actual response.

We hope that the above responses and the revisions made to the manuscript adequately address all the concerns raised by the reviewers. We appreciate the opportunity to improve our work and remain at your disposal for any further questions.

Sincerely,

The Authors
